PROFESSIONAL SUMMARY

Information Technology graduate with a CGPA of 3.75 and practical project experience in web development and AI-powered applications. Skills include Python, JavaScript, Node.js, MongoDB, Streamlit, and API integration, with experience working with CrewAI and LangGraph. Interested in developing intelligent applications and automating workflows. Seeking entry-level opportunities in AI engineering, Agentic AI development, or web development, including remote roles.

TECHNICAL SKILLS

Programming: Python, JavaScript **Web:** HTML, CSS, Node.js
Databases: MongoDB, SQLite **AI & Agents:** CrewAI, LangGraph
Frameworks & Tools: Streamlit, GitHub, Visual Studio Code **Integration:** APIs

PROJECTS

MedRoute AI — Hospital Appointment Management System

Python · Streamlit · SQLite · LangGraph

- Built a Streamlit-based application for patient registration and hospital appointment booking.
- Worked with SQLite to manage patient records and verify appointment availability.
- Applied LangGraph workflow concepts for structured processing and validation.

AI Study Pack Generator

Python · Streamlit · Groq API

- Developed an AI-powered study application that generates notes, flashcards, multiple-choice questions, and revision materials.
- Integrated the Groq API and worked on a user-friendly interface with downloadable study resources.

NutriGuide AI — AI-Powered Personalized Nutrition Guidance

Python · Streamlit · Generative AI

- Contributed to an AI nutrition guidance project focused on personalized recommendations and report-generation workflows.

EDUCATION

Bachelor of Science in Information Technology (BS IT)

University of Malakand, Pakistan | Graduated 2025 | CGPA: 3.75

CERTIFICATIONS & TRAINING

Web Development: Coursera, IBM, Meta
Artificial Intelligence: Pak Angels, Google Cloud

Certificate titles and issuing-program details can be added when confirmed.

ADDITIONAL INFORMATION

Career interests: AI Engineering, Agentic AI, AI Automation, Web Development
Preferred opportunities: Entry-level roles, internships, and remote positions
English proficiency: Basic
